Short Description
The Rogue is our new entry level handset. This comes with the latest features at a very affordable price!

Description
Sleek and lightweight, it is great as an introductory handset for lightsaber combat and can be paired with a second Rogue to create a saberstaff. This is a great single handed saber for an adult or a two-handed saber for the younger Padawan.

This handset comes packed with features including:

- Infinite colour system - choose what ever colour you like through the complete spectrum of reds, greens, blues, whites, yellows, purples and more
- 92cm heavy combat blade (optionally choose medium 72cm blade or short 52cm blade)
- 9 Sound Fonts with 3 volume settings
- Powerful 12 watt RGB LED with 3 light effects
- Multiple sound and light effects (Flash on clash, blaster, lockup, ecoswing)

There are a range of colours to choose from (please note not all are in stock but can be ordered in)

- Black
- Green
- Blue
- Gold
- Gun Metal
- Red
- Silver
