Short Description
Versatile saber that allows you to switch between katana and regular handsets

Description
The most versatile saber we have - swap out the metal tsuba guard and convert from exotic saber with a hand guard to a regulation saber that is great for one or for two handed combat.

This handset comes packed with features including:

- Infinite colour system - choose what ever colour you like through the complete spectrum of reds, greens, blues, whites, yellows, purples and more
- 92cm heavy combat blade (optionally choose shorter 78cm blade)
- 6 Sound Fonts with 3 volume settings
- Powerful 12 watt RGB LED with 3 light effects
- Multiple sound and light effects (Flash on clash, blaster, lockup, swing)

There are a range of colours to choose from (please note not all are in stock but can be ordered in)

- Black
- Gold

- Gun Metal
- Silver
